PROF. SKILLS

- ⚡ *Technical Analysis*
- ⚡ *Data Visualization*
- ⚡ *Project Management*
- ⚡ *System Integration*
- ⚡ *Cloud Computing*
- ⚡ *Stakeholder Engagement*
- ⚡ *Agile Methodologies*
- ⚡ *Risk Assessment*
- ⚡ *User Experience Design*
- ⚡ *Integrity*

EXPERIENCE

Sep 2022 - Present

Tech. Consultant

Gemini Engg.

Remote

- Spearheaded the development and integration of cloud-based technologies, resulting in a streamlined workflow and increased scalability.
- Developed and implemented innovative software solutions resulting in a 30% increase in productivity.
- Collaborated with cross-functional teams to develop and deploy a scalable web application, resulting in a 20% increase in user engagement.

Sep 2019 - Sep 2022

Technical Asst.

New Horizon Life

Brooklyn, NYC

- Provided technical support to a team of engineers, assisting with troubleshooting and resolving issues.
- Conducted regular maintenance checks on equipment and systems to ensure optimal performance.
- Assisted with the documentation and organization of technical processes and procedures.

- ⚡ Responsibility
- ⚡ Motivation
- ⚡ Commitment to excellence

AWARDS

Winner of the 2021 NYSCA/NYFA Artist Fellowship in the painting category, excelled in a select group of 30 artists to

Awarded for Service in Youth Development by the YMCA in 2019 for my volunteer work teaching painting classes to local

OTHER SKILLS

Fluent in Lexography & hash tables.

Problem solving & critical analysis skills.

Conflict management including facilitation, mediation.

LANGUAGES

- English - Fluent
- Kannada - Fluent
- Spanish - Beginner

SKILLS

Solid works

- Proficient in SolidWorks software, including 3D modeling, assembly design, and engineering drawings.
- Extensive experience in creating and modifying 3D models using SolidWorks, ensuring accuracy and reliability.
- Strong understanding of parametric modeling techniques within SolidWorks, allowing for easy modification and design iterations.

MS Office

- Proficiency in MS Office applications such as Word, Excel, PowerPoint, and Outlook.
- Experience in utilizing advanced features of MS Office, such as pivot tables, macros, and mail merge.
- Familiarity with generating reports, charts, and graphs using MS Office tools.
- Strong communication skills, including the ability to effectively collaborate using MS Office tools.

AutoCAD

- Experience using AutoCAD to create detailed designs and technical drawings
- Ability to interpret and work with architectural or engineering blueprints in AutoCAD
- Familiarity with AutoCAD commands and functions to efficiently complete tasks
- Strong attention to detail and accuracy in utilizing AutoCAD for drafting and design purposes

ACCOMPLISHMENTS

📅 Jan 2020

Porting of Banking software

- Successfully collaborated with a team to analyze and identify areas of improvement in the existing banking software system.

HOBBIES

Stamp Collection

Community development.

Travel blogging

- Implemented efficient coding practices and optimized the software's performance, resulting in increased speed and reliability.
- Conducted thorough testing and debugging to identify and resolve any issues or errors during the porting process.

EDUCATION

 Sep 2014

B Sc in Engineering.

MIT

- Published research papers in renowned engineering journals or conferences
- Participated in international engineering competitions or projects
- Completed internships with distinguished engineering firms or institutions

 Dec 2017

MS in Engg.

Mclord College

- Completed a research project and published findings in an academic journal.
- Presented research findings at a national conference.
- Received endorsements and positive recommendations from professors for exceptional academic performance.

CERTIFICATIONS

 Feb 2022

Cisco certified network associate

 Feb 2019

Certified business analysis professional

 Feb 2023

First Aid, CPR and basic life support (BLS)

CPR Training Institute

TRAININGS

📅 Dec 2017

Customer Care and Client Communication Skills

📅 Dec 2019

Statutory Compliance workshop
